MEDICAL TOURISM IN TAMIL NADU

Tamil Nadu is a leading medical tourism hub, attracting 25% of India's international patients with its world-class healthcare, skilled professionals, and cost-effective treatments. The State specializes in advanced procedures like organ transplants, cardiology, and minimally invasive surgeries, catering to patients from Bangladesh, Sri Lanka, the UAE, Oman, and Africa. To streamline services, a Medical Tourism Vertical is proposed, integrating patient facilitation, regulatory enhancements, and traditional wellness therapies like Ayurveda and Siddha. With initiatives like **'HEAL IN TAMIL NADU'** and global partnerships, the State continues to strengthen its position in the Medical Value Travel sector.

ABOUT TAMIL NADU MVT SUMMIT 2025

The two-day summit and exhibition will have B2B meetings, focusing on Medical Tourism as a preferred choice across the globe (in terms of safety, quality, cost, and clinical excellence). It will also cover health insurance, the role of healthcare facilitators, and the role of governments in promoting Medical Value Tourism (MVT). The focused Buyer-Seller Meets will bring together stakeholders from across the globe with reliable NABH/JCI-accredited hospitals, wellness centers, and AYUSH centers. It provides a platform to promote Indian Healthcare Services on a global scale and to forge sustained partnership amongst countries while unlocking numerous business opportunities in the healthcare industry.
